Clearview Sort Units

›› Configurable sorting shelves in a strong MFC cabinet with a smart, modern looking titanium finish

›› Made from sturdy transparent acrylic, clearview shelving provides one of the most efficient ways to sort mail & store documents. As you can see straight through each shelf no important letters or documents need be overlooked

›› The clear shelves are easily adjustable within the vertical columns, enabling you to configure the size & layout of the units to your needs

›› Each unit holds a maximum capacity of 36 shelves, to create 40 separate compartments - each 335D x 277W & 100H mm – or you can opt for fewer compartments with a larger capacity
