## Improve your efficiency - choose bott

Thank you for considering bott to deliver your workplace storage solution.

We're focussed on creating efficient, organised workspaces - for customers who want to improve and evolve and get the best out of their working environments. Our experience shows that investments in modern fit-for-purpose equipment, results in greater efficiencies, increased productivity and long-term operational success.

With a strong commitment to delivering excellent customer service, you can be confident that our products and services will support your ongoing business success.

Our offer goes beyond the simple supply of products - we regularly design, manufacture and install customised solutions. Our project design engineers can visit your site for a free design consultation and propose a solution based around your individual needs.

**Choose a workplace storage solution from bott and help drive efficiencies in your business.**

Global presence, local service

The Bott Group

## A partner you can trust

With over 90 years of industry experience, the Bott Group are world-leading manufacturers and suppliers of efficient workspace solutions; with three manufacturing sites in Europe and a fully integrated global sales network.

In the UK, Bott Ltd. have been manufacturing high-quality workplace storage equipment for over 40 years.

Innovation is key to bott's success. We develop and create market led solutions, based on a real understanding of our customers' needs. We are agile and flexible and collaborate on a group level to develop new and relevant products.

As a trusted partner to many specialist brands from a wide range of industries, we are well prepared to assist you with your workplace storage requirements.

**Choose bott and benefit from a wealth of knowledge, skill and expertise.**

# UK manufacturing capability

Made in the UK

## Delivering value for customers

We are proud to be a British manufacturing success story. From our UK facility in Cornwall, we ensure that the technologies and processes we use, are focused on delivering the best value for our customers.

Through the application of LEAN manufacturing principles and investments into automated production; our state-of-the-art factory delivers consistent high-quality - from raw materials through to our finished products. Our flexible manufacturing capability and customer focused approach, enables us to offer both comprehensive ranges and bespoke requirements, with reliable delivery.

As a company, we take a proactive approach to reducing our environmental impact and are committed to protecting our natural resources. We've invested heavily in green technologies such as electric company vehicles, rainwater harvesting, energy efficiency, intelligent lighting and solar power.

**Choose bott for reliable quality and delivery.**

## Our customer promise

Long-term solutions

## Designed to perform, built to last

Choosing functional, sustainable products that stand the test of time, is now more important than ever. A long-term investment today, helps to prepare for the challenges of tomorrow.

At bott, we're in the business of producing high-quality storage solutions that deliver excellent customer value. Our in-house design, test and manufacture process, means that we can be confident in the quality and longevity of our products.

To ensure your equipment is up to the job, our products have exceptionally high capacities including; 100% drawer extension, 200kg U.D.L capacity drawers and 1 tonne U.D.L rated benches.

Our 'Built to Last' approach guarantees that our workplace storage equipment will stand the test of time and match the exacting demands of your operations. Our UK manufactured products carry a 10-year extended guarantee and support is only a phone call away.

**Choose bott and you'll be investing in a high-quality, professional long-term solution.**

# Your project partner

Consult

Develop

## Turning your ideas into reality

Our custom design and build service was developed to help customers choose the most beneficial solution, when creating their new working environments. Whether kitting out a new facility, or simply transforming an existing area, projects can be time-consuming, demanding and costly if things don't go to plan.

With many years of experience in a wide range of sectors, our project management team are specialists in the field. They can visit your site to gain an in-depth understanding of your operational needs, the size of your working area, budgetary considerations and timescales.

By working together, we can discuss the most suitable products, materials and configurations, then create detailed 3D visuals of your workspace proposal, ensuring it's perfect for you.

With a wide-ranging product offer and the flexibility that comes from having our own manufacturing plant, we can transform your ideas into reality.

**Choose bott and you'll receive a truly tailored solution.**

# Your project partner

Deliver

Install

## Installations, scheduled to suit you

As an optional extra and to finish off the process, we can install your workplace storage equipment so that it's ready for use.

To keep disruption down to a minimum, our installations are scheduled to fit around you and your business, ensuring a swift and easy transfer into your new workspace.

Our highly trained engineers will meet the delivery, unwrap and assemble the equipment and efficiently install your system in accordance with site requirements. They will handle every part of the build - leaving you with a fully functional working environment to be proud of.

You can be confident that from consultation and design, through to delivery and completed installation, we provide a reliable, professional, high-quality service.

**Choose bott for peace of mind.**

# cubio - Our professional solution

Maximum reliability

Heavy-duty

## Durable & reliable

Ergonomically designed, bott cubio is our professional, heavy-duty storage system, suitable for the most demanding applications. Perfect for custom projects, the modular range covers drawer cabinets, cupboards, workbenches and accessories. bott cubio is configurable to suit individual processes and can be adapted over time.

**Choose bott cubio for advanced applications and demanding environments.**

- bott integrated system design
- Mobile and static options
- 75kg / 200kg U.D.L capacity drawers
- 100% extension drawer slides
- Comprehensive accessory range
- 10-year extended guarantee

## verso - Our versatile solution

Quality with value

Easy expansion

## Functional & adaptable

Our adaptable verso range offers simple functionality, combined with high-quality and excellent value-for-money.

Encompassing drawer cabinets, cupboards, benches and workstations, bott verso is suitable for a variety of applications, in many different industries.

**Choose bott verso for practical, affordable solutions.**

- Available in a wide range of sizes
- Mobile and static options
- 75kg U.D.L capacity drawers and shelves
- Optional drawer blocking mechanism
- 100% extension roller bearing slides
- Comprehensive accessory range
- 10-year extended guarantee

# perfo - The original system

Quick access to tools  
and small parts

Multi-purpose

## Flexible efficiency

Simple and adaptable, our classic perfo system is the foundation for efficient small parts storage. Developed over 40 years ago, perfo continues to be essential in product innovation and range integration.

Incorporating wall panels, cupboard systems, mobile or free-standing solutions and a wide variety of accessories, perfo storage is exceptionally versatile with an unlimited range of applications.

**Choose bott perfo for easy access to tools, small parts and equipment.**

- Integrates with cubio and verso systems
- perfo, louvre or combination panel options
- Diverse range of accessories
- Ideal for LEAN and 5S storage systems
- Custom requirements available
- 10-year extended guarantee

## CNC - Machine tool storage

Maximum security

High capacity

## Protection for high value tooling

Our CNC storage systems are designed to organise and protect expensive machine tools from damage, theft or loss. With clear storage and identification, tool handling can be kept to a minimum, workflows improved and machine set-up time reduced.

For most types of CNC machine tooling, our specialist range includes workbench mounted units, trolleys and high-capacity cupboards and cabinets.

**Choose bott CNC systems and maximise security for your valuable business assets.**

- Integrates with cubio and perfo systems
- Static and mobile options
- Fits most types of CNC machine tooling
- 10-year extended guarantee

# Accessories

Efficient organisation

## Accessories for every requirement

We offer a wide and comprehensive range of accessories, ensuring your workplace storage equipment delivers 100% efficiency.

Further product information, technical data, dimensions, part numbers and prices - can all be found within our online product catalogue. To go online, look out for the relevant QR codes and links that appear within the accessories sections of this catalogue, then simply filter by product or category.

**Choose bott for efficient organisation.**

- Internal drawers
- Drawer divider kits
- Cupboard shelves & backpanels
- Worktops & top trays
- Bench panels
- Base plinths, forklift and drop in bases
- Rear framework systems

## Standard colour options

Durable, powder-coat finish

## Quality, long-lasting colour

Our products are expertly finished in a high-quality powder-coat paint at our UK factory, providing a durable, consistent finish and tough protection against wear and damage.

In answer to market demand, we now offer a new standard colour option in 'all over' anthracite grey (cubio range only) - providing a modern, sleek and professional look suitable for any working environment.

### Choose bott for smart, long-lasting solutions.

- Our standard product colour is light grey housing (RAL7035) with anthracite grey fronts (RAL7016) - you can however, choose from four additional standard options at no extra cost
- To make your choice, simply refer to the colour key found at the bottom of the catalogue pages, replacing the two digit suffix (normally .19) with your selection
- Our hazardous substance cupboards are finished in yellow (RAL1023)

#### Housing:

RAL 7035 – light grey

#### Top, bottom and fronts:

.77

RAL 7016 – anthracite grey

## Custom colours

Flexible manufacturing  
capability

## Tailor your workspace

If you're looking to strengthen your brand or simply want a solution to complement your workshop, office or garage, why not finish off your workplace storage equipment in a custom colour?

In addition to our five standard options, we have the manufacturing flexibility to supply your products in a special colour or combination of your choice. For environments demanding the highest levels of hygiene, such as hospitals, schools and food production facilities, antibacterial coatings can be arranged upon request.

For industrial settings where static electricity can cause a problem, particularly for sensitive components used in electronics assembly, ESD safe coatings are also an option. Whatever your special request, we can ensure the perfect finish for your needs.

**Choose bott and we'll help you create an individual workspace to be proud of.**

## cubio - Cabinets

## Robust Housing

With reinforced steel housings, heavy-duty cubio cabinets offer a total capacity of up to 1.5 tonne and are available in a wide range of plan sizes and height options.

## High-capacity Drawers

Standard fitment drawers are 75kg U.D.L. capacity, with full 100% extension roller bearing slides and scuff resistant galvanised pans. Optional heavier-duty 200kg drawers are available. Small parts can be efficiently organised with trough blocks, storage boxes and adjustable metal dividers.

## Drawer Locking & Blocking

All cubio cabinets are centrally lockable, with integrated drawer blocking mechanism as standard. Master locking and cubio PIN locking are also available.

## Practical Work Surfaces

40mm thick Multiplex or Lino worktops are available for all cubio cabinets. Raised edged top trays with quality inlaid mats are also an option, designed to prevent items from rolling off the work surface.

## Wide Range of Accessories

Optional fork lift bases help to make light work of moving heavy cabinets. Enclosed fixed height base kits, internal shelves and a variety of drawer storage solutions are also available.

# cubio - Mobile

## Robust Housing

With reinforced steel housings, cubio mobile cabinets offer an overall load capacity of up to 600kg and are available in a wide range of plan sizes and height options.

## Efficient Drawer Storage

Standard fitment drawers are 50kg U.D.L. capacity with full 100% extension roller bearing slides and scuff resistant galvanised pans. Small parts can be efficiently organised with trough blocks, storage boxes and adjustable metal dividers.

## Drawer Locking & Blocking

Mobile cubio cabinets are centrally lockable, with integrated drawer blocking mechanism and safety trigger locking as standard. The trigger locking ensures that drawers remain closed in transit, even when unlocked. Master locking and cubio PIN locking are also available.

## Practical Work Surfaces

Mobile cubio cabinets are fitted with either raised edged top trays with quality inlaid mats, designed to prevent items from rolling off the surface or tough, 20mm thick Multiplex or Lino worktops.

## Enhanced Mobility

High-quality castors and comfort grip handles are used throughout the range. Swivel and brake versions enhance mobility and stability.

## cubio | **Mobile** 525mm Wide x 525mm Deep

### 525mm Wide x 525mm Deep Mobile Cabinets

- 50kg U.D.L. capacity, 100% extension drawers
- Drawer blocking and safety interlocks
- Internal drawer dimension 400mm wide x 400mm deep
- Total combined load capacity 300kg

# cubio - Cupboards

## Robust Housing

With reinforced steel housings, heavy-duty cubio cupboards offer up to 1.5 tonne total storage capacity and are available in a wide range of plan sizes and height options.

## Multiple Door Options

Choose from sliding, up/over roller shutter, window panel or reinforced panel lined doors.

## Galvanised Steel Shelves

Durable scuff resistant shelves in full and half-depth styles, with 100kg U.D.L capacity. 160kg U.D.L capacity shelves are standard in 1300mm wide cupboards.

## High-capacity Drawers

Standard fitment drawers offer 75kg U.D.L capacity, with full 100% extension roller bearing slides and scuff resistant galvanised pans. Optional heavier-duty 200kg drawers are available. Tough plastic troughs, boxes and adjustable metal dividers, provide multiple storage solutions.

## Fittings & Accessories

A wide range of internal fittings are available to kit out cubio cupboards; including perfo and louvre backpanels, hook, bin and divider kits, Multiplex worktops, sliding shelves, hanging rails and CNC storage systems. Optional fork lift bases make light work of moving heavy cupboards. Enclosed fixed height base kits are also available.

## cubio | **Cupboards** Perfo Panel Lined Hinged Doors

### Cupboards With Perfo Panel Lined Doors

- Heavy duty cupboards with lockable doors
- Perfo door liner panels
- 160kg U.D.L. capacity on 1300mm wide models, 100kg on all others
- Shown with galvanised steel shelves, for kitted models see pages 72 - 75

Models shown have perfo panel door liners. Louvre panel doors are also available, please ask for details.

# cubio - Benches

## Maximum Stability

With robust construction and up to 1200kg U.D.L. total capacity, heavy-duty cubio benches are designed to perform and built to last.

## Durable Worktops

Hard-wearing 40mm worktops are used across the range. Choose from Multiplex or Beech, Stainless Steel or Steel Clad, Lino, Laminate or ESD Laminate. Custom corner joints, T-joints and special lengths, are available upon request.

## Ergonomic Working

Many cubio bench styles offer fixed or height adjustable options and mobile alternatives are available for framework, workstand and storage benches. Rear and overhead frame kits can be used to create efficient and ergonomic workstations; including, swivel arms, storage panels, adjustable shelves, service ducts and lighting.

## Wide Range of Accessories

Create custom configurations by combining cubio bench systems with our wide range of accessories; including, backpanels, base shelves, drawer cabinets and hook and bin kits.

## cubio | **Benches** Worktops

### Multiplex (Mpx)

40mm, resin bonded, layered hardwood beech ply with cross laminated construction.

A tough general duty worktop suitable for most applications.

### Lino

40mm overall with a particle board core and a grey linoleum surface and a durable plastic edging.

An easy clean top with good surface resistance to water, oils, acids and chemicals. Ideal for office, assembly and storage areas.

### Steel Clad

38mm particle board core with 1.2 mm galvanised steel cladding to surface, front and rear edges.

An extremely hard wearing, heavy duty surface for heavy engineering or hot components.

### Beech

40mm solid beech.

A high load bearing worktop with good surface resistance to water, oils, acids and chemicals, suitable for most benching applications.

### Laminate

40mm with particle board core, laminate surface and ABS edges.

An easy clean top with high abrasion and impact resistance and excellent surface resistance to water, oils, weak acids and chemicals.

### Stainless Steel Clad

38mm particle board core with 1.2 mm stainless steel cladding to the surface and all edges.

An extremely hard wearing, heavy duty surface for heavy engineering or hot components.

### Phenol

40mm top with hardwood core impregnated with phenol resin and edged in hardwood.

### ESD Laminate

40mm with conductive particle board core and conductive laminate surface and ABS antistatic edges.

An easy clean top with high abrasion and impact resistance and excellent surface resistance to water, oils, weak acids and chemicals.

### Framework Benches

- Heavy duty, braced framework
- Up to 800kg U.D.L. capacity
- Fixed or adjustable working height
- Mobile models have 125mm diameter castors and 300kg U.D.L. capacity

## cubio | **Benches** Suspended Cabinets

### Suspended Cabinets for Framework Benches

On 1500mm and 2000mm wide benches 525mm, 650mm or 800mm wide cabinets may be used. Maximum height of cabinets is 600mm for static and 400mm for mobile benches. 750mm deep benches may use either the 525mm deep or 650mm deep cabinets

900mm deep benches may use either the 650mm deep or 750mm deep cabinets.

To fix a cabinet to a framework bench a set of suspension channels is required. Choose the correct bench depth, the channels will fit both 650 and 750mm deep cabinets.

### Suspension Channels

# cubio | Benches Storage Benches

## Storage Benches

- Storage framework design allows easy cleaning beneath
- Half depth shelf models give knee space for seated work
- Up to 800kg U.D.L. capacity
- Integral cabinets with full extension 75kg U.D.L. capacity drawers
- Mobile models have 125mm castors and 300kg U.D.L. capacity

**Multiplex (mpx)**  
40mm, resin bonded, layered beech ply.  
A tough worktop suitable for most applications.

## Adjustable Height Leg Kit

Adjustable height leg set for use with all static storage benches.

Mounts to existing frame with supplied fixings offering height options in 25mm increments from 800 - 900mm or 900 - 1000mm.

### Adjustable Leg Kit

Height (mm)	Order Ref.
840 - 940	41010003.16V
940 - 1040	41010004.16V

**Lino**  
40mm overall with a 38mm particle board core and a 2mm linoleum surface with a durable plastic edgebanding.  
An easy clean, general duty top ideal for office, assembly and storage areas.

See page 104

All models use the 650 x 650 cabinet dividers except 41002169 / 41002170 which use the 1300 x 650 cabinet dividers

1850	2x 900	41010212.16
1850	1x 1800	41010213.16

### Rear Framework System

- Create an ergonomic workstation
- Models available to suit framework or storage style workbenches
- Twin upright set builds a single rear section
- Triple upright set allows for two rear sections
- Additional upright can be used to further divide rear sections
- Short uprights are suitable for a 2x 240mm or a 480mm high panel and a fixed shelf
- Rear sections may be 450, 900, 1350 or 1800mm wide and can be configured in any combination up to the width of the bench
- Accessories available in 450, 900, 1350 or 1800mm widths
- Choose from complete kits or build your own
- Supplied in RAL7035 light grey

**Rear Framework kits for cubio frame work benches**

- Complete rear frame kits
- To suit bott cubio frame work benches
- Add accessories from page 98 - 99 to the basic frames
- Supplied in RAL7035 light grey
- Kits are available for bott cubio storage benches, please ask for details

# cubio - Accessories

## Comprehensive Range

We offer a wide range of accessories for cubio cabinets, mobile, cupboards and benches; allowing you to individually configure to your specific needs.

### Drawer Divider Kits

Small parts can be efficiently organised with trough blocks, plastic boxes, inlay mats and adjustable metal dividers. Supplied as simple pre-designed kits, or custom layouts can be created upon request.

### Internal Options

To create a fully functioning cubio cupboard, choose from a selection of internal fittings, including; perfo and louvre backpanels, hanging rails, base decks, drawer kits, shelves and worktops.

### External Options

40mm thick Multiplex or Lino worktops are available for all cubio cabinets and cupboards, as well as top tray options. Optional fork lift bases make light work of moving heavy cupboards and enclosed fixed height base kits are also available.

### Bench Options

Create custom configurations by combining cubio bench systems with our wide range of accessories; including, backpanels, base shelves, drawers and hook and bin kits.

### Online Catalogue

To view the full range of cubio accessories and drawer divider kits, follow the links to the online product catalogue which can be found throughout this section.

## cubio | Accessories Dividers

### Adjustable Metal Dividers

Galvanised metal dividers in a wide range of sizes to suit all cabinets

All parts are readily adjustable in position allowing individual layouts to be easily created and amended as requirements change.

Supplied as pre-designed kits for ease of choice. Custom layouts can be created, please ask for details.

### Plastic Boxes

Tough plastic divider boxes in a wide range of sizes and heights.

All are easily removed to allow use elsewhere and easy amendment of layout.

Labelling kit available.

Supplied as pre-designed kits for ease of choice. Custom layouts can be created, please ask for details.

### Plastic Troughs

Tough plastic trough sections in two, three or four channel types.

All are sub dividable and may be removed to allow easy amendment of layout.

Supplied as pre-designed kits for ease of choice. Custom layouts can be created, please ask for details.

**Inlay Mats**

Quality foam matting for the drawer base.

Provides a softer, safer base for expensive or delicate items and can reduce noise especially in mobile applications.

May be used in conjunction with the metal dividers.

For the complete range of cubio drawer accessories please see our online catalogue

[qr.bottltd.co.uk/22uk-cubio-div](http://qr.bottltd.co.uk/22uk-cubio-div)

A wide range of drawer foam inserts are available for bott cubio cabinets. Please contact us for more details.

## cubio | Accessories Internal Options

### Backpanels (for 800mm, 1050mm and 1300mm wide cupboards)

Perfo and louvre backpanels to fit to rear of 800mm, 1050mm and 1300mm wide housings.

Panels may be fitted at any height point within the housing and may be of mixed style and height.

The table below shows the panels required to provide a full height back-panel. Choose the overall height of back panel required and order the individual items. Shelves may be used in front of panels, but drawers must be used either above or below them.

Panel Height	Panels per Cupboard Height				
	800	1000	1200	1600	2000
350mm	2		2	2	2
400mm			1	2	3
450mm		2			

### Hanging Rail

Suitable for all cupboard door styles, the rail position may be adjusted on a 25mm vertical pitch and horizontally on a 100mm pitch.

The hanging rail kit is supplied with 6 hooks. Standard clothes hangers may be used on the 650mm deep model.

### Infill Base Deck

Infill galvanised steel base shelves to provide a flat surface for easy loading and unloading.

**Drawer Kit****Sliding Shelves**

125mm or 175mm high drawers with 75kg or optional 200kg U.D.L. capacity on smooth action roller bearing slides. Adjustable on a 25mm vertical pitch. Supplied in powdercoat RAL7035 light grey finish only. A range of dividers are available.

Sliding shelf with 75kg or optional 200Kg U.D.L. capacity on smooth action roller bearing slides. 50mm high adjustable on 25mm vertical pitch. Supplied in powdercoat RAL7035 light grey finish only.

**Steel Shelves****Multiplex Shelf / Worktop**

Durable, scuff resistant galvanised steel shelves with 160kg U.D.L. capacity on 1300mm wide models\*, 100kg on all others.

25mm multiplex (laminated beech ply) shelf or worktop. 593mm deep for 650mm deep models. Up to 80kg U.D.L. capacity.

Shallow shelves for 650mm deep models are 343mm deep and may be used in conjunction with louvre doors and hook on bins.

All shelves are adjustable on 25mm vertical pitch.  
\*1300 x 650 shallow shelf has 100kg U.D.L.

For the complete range of cubio cabinet accessories please see our online catalogue

[qr.bottltd.co.uk/22uk-cubio-cab-acc](http://qr.bottltd.co.uk/22uk-cubio-cab-acc)

## cubio | **Accessories** External Options

### Base Plinth

Totally enclosed 50mm base plinth. Suitable for total loads of up to 1.5 tonnes. Supplied in RAL7035 light grey only.

### Base Plinth / Forklift Base

100mm high base plinth incorporating fork lift channels. Suitable for total loads of up to 1 tonne. Comes complete with a removable faceplate. Supplied in RAL7035 light grey only.

### Cabinet / Cupboard Worktops

40mm worktop for the top of the housing. Available in Multiplex (laminated beech ply) or Lino (2mm grey linoleum worksurface bonded to a wooden core).

Metal top tray with 4 raised sides to prevent accidental roll off of items. Inlaid is a quality slip resistant mat. Increases height by 15mm. Supplied in RAL7035 light grey only.

For the complete range of cubio cabinet accessories please see our online catalogue

[qr.bottltd.co.uk/22uk-cubio-cab-acc](http://qr.bottltd.co.uk/22uk-cubio-cab-acc)

### Bench Backpanels

Backpanel set utilising the reinforced horizontal panels complete with end wing plates and rear mounting channels. Available in perfo, louvre and combination styles.

For direct fitment to the worktop, suitable for any bench.

### Custom Worktops

Corner and 'T' shape worktops for use in custom installations. The 750mm sections integrate with the standard worktops and the corner sections allow 1050mm wide or 525mm square cabinets to sit underneath. As well as cabinets, the worktops can be supported by the cubio endframes and support brackets.

### Bench Frame Parts

Robust steel endframes in fixed or adjustable height versions. Stringer sets are available for use with 1500 and 2000mm long tops and consist of two top cross members a single base cross member and two rear corner braces.

### Worktop Support Brackets

Steel joining plates and wall supports for use with extended worktop runs and custom installation. Powdercoat RAL7035 grey finish.

For the complete range of cubio bench accessories please see our online catalogue

[qr.bottltd.co.uk/22uk-cubio-wb-acc](http://qr.bottltd.co.uk/22uk-cubio-wb-acc)

## Flexible Storage

Steel panels are the heart of the perfo system, with wall mount, free-standing and mobile variations. Available in perfo, louvre or combi styles, the system is exceptionally versatile, with a diverse range of sizes and accessories.

## Reinforced Panels

Perfo, combi and all horizontal louvre panels, feature return edges and reinforcing strips, providing high strength and great rigidity.

## Range Integration

The perfo system is designed to integrate with storage cupboards, wall cupboards and benches, from both the cubio and verso ranges.

## Perfo Accessories

For quick access to tools and equipment, a variety of steel hooks, clips and holders are available to suit almost every requirement. Pre-selected kits make easy work of ordering.

## Louvre Accessories

Louvre panels work with plastic bins to create high-capacity component storage. Bins are available in many sizes, colours and pack quantities.

## Mobile Solutions

For mobile efficiency, panel racks and trolleys allow tools and components to be easily moved around the workplace.

# perfo | Perfo & Combination Panels

## Perfo & Combination Panels

- Fully flanged and reinforced to aid rigidity
- New perfo sizes designed to complement cabinet widths
- Reinforced mounting points
- Epoxy powder coated in choice of 4 standard colours
- Full Louvre panels available, see page 124

Backstrips reinforce and stiffen panels

# perfo | Wall Cupboards

## Wall Cupboards

- Lockable steel cupboards with perfo door liner panels
- Perfo or louvre backpanels
- Compact 325mm deep
- Optional galvanised shelves
- Available empty for custom layouts or with easy order accessory kits
- 525mm wide models have single doors, 650mm, 800mm and 1050mm wide models have double doors

Tools shown are not included

## Louvre Backpanel Models

800mm wide x 700mm high louvre model with 23 piece bin kit

1050mm wide x 700mm high louvre model with 33 piece bin kit

# CNC - Storage systems

## Maximum Security

Tough, clip-in holding inserts are the core of the CNC storage system. Simple to fit, the inserts safely and securely hold all major tooling shank sizes.

## Adaptable Tool Carriers

Sturdy, versatile and easily adapted carrier for the holding inserts. Use freestanding or with accessories.

## Carrier Bench Stands

Securely holds up to three tool carriers on any bench worktop.

## Carrier Trolleys

Flexible trolley options for tool carriers, providing high-capacity storage and ease of mobility.

## Cabinets & Cupboards

Utilising the cubio range and accessories, there are many options for storing CNC tooling and tool carriers within the heavy-duty cupboards and drawer cabinets.

## Useful Tool Blocks

Simple, steel tool blocks can be used freestanding or in conjunction with louvre panel racks and trolleys.

# CNC | Inserts & Carriers

## Tool Holding Inserts

The core of the system are the easy fit tool holding inserts. 50, 75 or 100mm wide depending on model, they simply clip into the metal carrier or frame.

To calculate the insert capacity compare the tool type sections with the available sections per row in the metal carrier or holder.

A blank holder is available for other tool sizes. The solid plug is removed for machining to the required bore dimensions.

All inserts have a taper bore except VDI models. Top diameter shown.

The insert sits 32mm above the metal carrier or holder.

## CNC | Carrier Drawer Frames & Cabinets

### Tool Carrier - Drawer Brackets

For high volume storage with ease of access and security CNC tooling may be stored in one of the bott cubio static or mobile cabinets.

The cabinets will accept either the tool carrier via drawer brackets (below) or direct into the tool frame (opposite).

Both systems will work with a wide selection of cabinet sizes, the ideal model will depend upon the length and quantity of tooling.

Please ask for a no obligation quote or on site consultation to discuss your requirements.

### Tool Carrier - Drawer Brackets

Tool carriers may be mounted within the drawers using the accessory bracket set. Add carriers from page 144 as required, up to 3 carriers may be stored in each drawer.

The ideal cabinet is 800mm wide x 650mm deep but the system will work with the larger sizes.

Note: Tool carriers are not included

Item	Order Ref.
Carrier Brackets	43013031.51V

## Drawer Frames & Inserts

CNC frame for use with cabinet or cupboard drawers. Add inserts from page 144 as required.

Any combination of CNC inserts may be used together in a single row up to the maximum number of sections per row.

Drawer frames are available in 80 and 125mm heights to suit the tooling shank length. Choose a cabinet drawer front height large enough to accommodate your tooling's overall length.

verso - Cabinets

## Fully Welded Housing

With fully welded steel housings, verso cabinets are designed to withstand the rigours of industrial use. All are 550mm deep, with three widths and numerous height options to choose from.

## Robust Drawers

All standard fitment drawers are 75kg U.D.L. capacity, with 100% extension roller bearing slides for smooth operation and easy access.

## Efficient Storage

Drawer pans are all full height and available in 100mm, 125mm, and 175mm options. Small parts can be efficiently organised using plastic storage boxes, adjustable metal dividers or inlay mats.

## Drawer Locking & Blocking

All verso cabinets are centrally lockable, models with drawer blocking mechanism are available on request.

## Practical Work Surfaces

30mm thick Multiplex or Lino worktops are available for all verso cabinets, as well as top trays with inlaid mats or lectern tops with built-in pen trays.

## Wide Range of Accessories

Individually kit out your verso cabinet, with a wide range of drawer dividers, shelves and worktops.

verso - Mobile

## Fully Welded Housing

With fully welded steel construction and push-pull handles, verso cabinets are designed to withstand the rigours of industrial use. Featuring 125mm diameter rubber tyred castors, with 2 fixed, 2 swivel & brake mechanism.

## Robust Drawers

For verso mobile, all standard fitment drawers are 50kg U.D.L. capacity, with 100% extension roller bearing slides for smooth operation and easy access.

## Efficient Storage

Drawer pans are all full height and available in 100mm, 125mm, and 175mm options. Small parts can be efficiently organised using plastic storage boxes, adjustable metal dividers and inlay mats.

## Drawer Locking & Blocking

Mobile verso cabinets are centrally lockable, with integrated drawer blocking mechanism as standard, so that only one drawer can be opened at any time.

## Practical Work Surfaces

30mm thick Multiplex or Lino worktops are supplied as standard for all verso mobile cabinets, or choose top trays with inlaid mats.

## Wide Range of Accessories

A wide range of drawer divider kits, shelves, worktops and top trays are available to kit out your mobile verso unit.

# verso - Cupboards

## Fully Welded Housing

With fully welded steel housings, verso cupboards are designed to withstand the rigours of industrial use. Choose from simple shelf cupboards and self-contained workshops, to compact lockable wall cupboards.

## Multiple Door Options

Choose from hinged, sliding, up/over roller shutter, window panel or ventilated door styles.

## Galvanised Steel Shelves

Durable scuff resistant shelves with 75kg U.D.L. capacity. Adjustable on a 25mm pitch.

## 75kg Internal Drawers

100mm, 125mm or 175mm high, roller bearing drawers; with 75kg U.D.L. capacity, 100% extension and full height drawer pans. Tough plastic boxes, adjustable metal dividers and inlay mats, allow for adaptable custom layouts.

## Internal Fittings & Accessories

A wide range of internal fittings and accessories are available to kit out verso cupboards; including perfo and louvre liner panels, hook, bin and divider kits, shelf dividers and Multiplex worktops.

## verso | Cupboards Shelf Cupboards

### Shelf Cupboards

- Tough, welded steel construction
- Three point locking doors
- Galvanised shelves with 75kg U.D.L. capacity
- Choice of reinforced steel door in standard or ventilated style
- Ventilated doors aid drying and allow a quick visual stock check

# verso - Benches

## Robust Construction

With robust construction and up to 600kg U.D.L total capacity, verso benches are strong, reliable and built to last. Choose from framework, cantilever, pedestal, storage or welded styles.

## Worktop Options

30mm worktops are used on framework, storage and pedestal benches and 20mm on welded and cantilever styles. Choose from Multiplex, Lino or ESD Laminate. MFC Laminate is also available for cantilever benches.

## Ergonomic Working

Many verso bench styles offer fixed or height adjustable options and mobile alternatives are available for framework, workstand and welded styles. Rear and overhead frame kits can be used to create efficient and ergonomic workstations; including, swivel arms, storage panels, adjustable shelves, service ducts and lighting.

## Wide Range of Accessories

Create custom configurations by combining verso bench systems with our wide range of accessories; including, backpanels, drawer dividers and hook and bin kits.

## verso | Benches Worktops

### Multiplex (Mpx)

30mm, resin bonded, layered hardwood beech ply with cross laminated construction.

A tough general duty worktop suitable for most applications.

### Lino

30mm overall with a 28mm particle board core and a 2mm grey linoleum surface and a durable plastic edgebanding.

An easy clean top with good surface resistance to water, oils, acids and chemicals. Ideal for office, assembly and storage areas.

### MFC Laminate

20mm with particle board core, with MFC laminate surface and plastic edgbanding.

An easy clean top with high abrasion resistance and excellent surface resistance to water, oils, weak chemicals.

For cantilever benches only.

### ESD Laminate

30mm conductive particle board core with conductive laminate surface and ABS antistatic edges.

An easy clean top with high abrasion resistance and excellent surface resistance to water, oils, weak chemicals.

### Welded Benches

- Heavy duty steel framework with rear upstand
- Full depth steel base shelf
- Mobile models have 125mm diameter castors
- Steel top models 910mm high
- Mpx top models 930mm high
- All models 600mm deep
- Benches supplied assembled, drawers or cupboards will require fitting to the bench.

## verso | Benches Backpanels

### Half back frames

- Create an ergonomic workstation
- Suitable for all bench styles
- Fits directly to the worktop
- Rear sections are 900, 1350 or 1800mm wide to suit accessories
- Add accessories from page 98 - 99 to the basic frames
- Supplied in RAL7035 light grey

Width (mm)	Accessory width (mm)	Order Ref.
950	1x 900	41010205.16
1400	1x 1350	41010208.16
1850	2x 900	41010212.16
1850	1x 1800	41010213.16

### Rear Framework System

- Create an ergonomic workstation
- Models available to suit framework or storage style workbenches
- Twin upright set builds a single rear section
- Triple upright set allows for two rear sections
- Additional upright can be used to further divide rear sections
- Short uprights are suitable for a 2x 240mm or a 480mm high panel and a fixed shelf
- Rear sections may be 450, 900, 1350 or 1800mm wide and can be configured in any combination up to the width of the bench
- Accessories available in 450, 900, 1350 or 1800mm widths
- Choose from complete kits or build your own
- Supplied in RAL7035 light grey

**Rear Framework kits for verso frame work benches**

- Complete rear frame kits
- To suit bott verso frame work benches
- Add accessories from page 200 - 201 to the basic frames
- Supplied in RAL7035 light grey
- Kits are available for bott verso storage benches, please ask for details

# verso - Accessories

## Comprehensive Range

A wide range of accessories for verso cabinets, mobile, cupboards and benches; allowing you to individually configure to your specific needs.

### Drawer Divider Kits

Small parts can be efficiently organised with plastic boxes, inlay mats and adjustable metal dividers. Supplied as simple pre-designed kits, or custom layouts can be created upon request.

### Internal Options

To create a fully functioning verso cupboard or cabinet, choose from a selection of internal fittings, including; perfo and louvre backpanels, hanging rails, drawer kits, shelves and worktops.

### External Options

30mm thick Multiplex or Lino worktops are available for all verso cabinets and cupboards, as well as top tray options. Lectern tops provide convenient workstation solutions.

### Bench Options

Create custom configurations by combining verso bench systems with our wide range of accessories; including, backpanels, shelves, drawers and hook and bin kits.

### Online Catalogue

To view the full range of verso accessories and drawer divider kits, follow the links to the online product catalogue which can be found throughout this section.

## verso | Accessories Dividers

### Adjustable Metal Dividers

Galvanised metal dividers in a wide range of sizes to suit all cabinets

All parts are readily adjustable in position allowing individual layouts to be easily created and amended as requirements change.

Supplied as pre-designed kits for ease of choice. Custom layouts can be created, please ask for details.

### Plastic Boxes

Tough plastic divider boxes in a wide range of sizes and heights.

All are easily removed to allow use elsewhere and easy amendment of layout. Labelling kit available.

Supplied as pre-designed kits for ease of choice. Custom layouts can be created, please ask for details.

### Inlay Mats

Foam matting for the drawer base.

Provides a softer, safer base for expensive or delicate items and can reduce noise especially in mobile applications.

May be used in conjunction with the metal dividers.

For the complete range of verso drawer accessories please see our online catalogue

[qr.bottltd.co.uk/22uk-verso-div](http://qr.bottltd.co.uk/22uk-verso-div)

**Internal Drawer Kit**

100, 125mm or 175mm high drawers with 75kg capacity on smooth action roller bearing slides. A range of dividers are available. For 550mm deep cupboards only

**Steel Shelves**

Durable, scuff resistant galvanised steel shelves with 75kg U.D.L. capacity. All shelves are adjustable on 25mm vertical pitch.

**Hanging Rail**

Three position hanging rail kit for use in 550mm deep cupboards. Adjustable vertically on a 25mm pitch.  
(N.B. shelf not included)

**Multiplex Shelf / Worktop**

25mm multiplex (laminated beech ply) shelf or worktop, adjustable on a 25mm pitch. 75kg U.D.L. capacity.

**Backpanels**

Steel internal panels for the rear of the 2000mm high x 550mm deep cupboards.

Available in perfo (for tools) and louvre (for bins). Each panel is 457mm high. Up to four panels may be fitted in each cupboard.

(N.B. Panels can not be used behind shelves or drawers)

For the complete range of verso cabinet accessories please see our online catalogue

## PPE & Janitorial Cupboards

Specially adapted versions of kitted cupboards; equipped with 'three point locking' ventilated or panel doors. Optional internal fittings include high-capacity galvanised shelves, roller bearing drawers, hanging rails and central partitions for separating items.

## Computer Cupboards

A range of robust workstations, for securely storing computing equipment in the workplace. Cupboards and monitor housings are lockable, with ventilated sides and cable routing apertures.

## Lectern Workstations

Lecterns are perfect for workspaces requiring both efficient storage and convenient workstations. Featuring sloping top, pen tray, paper stop and 'three point locking' doors. Available in standard and economy formats.

## Hazardous Substance Cupboards

Designed to comply with HSE guidelines and codes of best practice, by providing suitable storage for hazardous substances and materials. Featuring robust, welded steel housing, reinforced doors and 75kg U.D.L capacity sump trays; designed to catch and contain spilled substances.

## Cleaning & Recycling Stations

Wall-mounted, panel based, cleaning & recycling stations, with bins, hooks and a wide range of accessories.

# Cases

## Aluminium Transport Cases

The perfect solution for protecting equipment from dust and damage during transit. Designed around Europallet dimensions for easy integration with universal travel systems.

### Lightweight & Robust

Lightweight aluminium construction, with ribbed corners for added strength. Securely stackable, using locator guides on each corner.

### Tough Grip

Tough, plastic protected grip, with 35kg load capacity, per handle.

### Steel Tool Chests

Strong, tool storage chest, designed to withstand use in demanding environments. Hardboard lined to protect damage to the interior. Includes removable parts tray for smaller items.

### Heavy-duty

Manufactured in phosphated steel for increased corrosion protection and finished in a durable, epoxy powder-coat paint. Features wrap-over, shower resistant lid.

### Secure Handling

With double grab handles for firm handling and padlockable hasp & staple clasps for security.

## bott | Cases Aluminium Transport Cases

### Aluminium Transport Cases

- Ribbed body for strength, whilst remaining light weight
- Tough plastic protected grip, load capacity of 35kg per handle
- Stackable with stacking locators on each corner
- Recessed base prevents ingress of water if used on wet floors
- Rubber seal to lid gives a shower resistant container
- Based around Europallet dimensions

# Seating

## Ergonomic Seating

With tilt, height and angle adjustability, our range of ergonomic seating solutions has been specifically chosen to work in a variety of workplaces. Providing comfort and easy working, ergonomically designed chairs can greatly improve posture, reduce back pain and ultimately improve productivity.

## Strength & Stability

The 'five leg base' style on all chairs, provides the utmost stability, with 120kg maximum U.D.L. load capacity.

## Practical Vinyl

Vinyl chairs are sturdy, highly durable and easy to clean, making them ideal for general workshop use. Comfort options with contoured seats and back cushions are also available.

## Hardwearing Fabric

Upholstered fabric chairs feature a cushioned blue seat and padded backrest, providing a good all round comfort solution for an office environment.

## Additional Options

Optional castor sets and armrests are available, as well as adjustable footrests for some models.

# Ergonomic workstations

Configure your own  
workstation

Medium or heavy  
duty options

## One workstation, endless possibilities

With demanding lead times in today's competitive environment, we understand that many businesses are looking to deliver both flexibility and efficiency into their manual assembly processes. Whether for precision engineering or high-value electronics manufacture, introducing LEAN principles can be key to driving efficiencies.

Configure your individual workstation here:  
[qr.bottltd.co.uk/22uk-wb-config](http://qr.bottltd.co.uk/22uk-wb-config)

**Choose an ergonomic workstation from bott, for staff welfare, efficiency and productivity.**

- Solutions to eliminate non-value adding and wasteful activities
- Tailored to suit your unique operational objectives and applications
- Designed to create comfortable, efficient workplaces with effective manual assembly processes
- Adaptable and flexible with endless possibilities

For more information please contact your local dealer:
