

Seating

Ergonomic Seating

With tilt, height and angle adjustability, our range of ergonomic seating solutions has been specifically chosen to work in a variety of workplaces. Providing comfort and easy working, ergonomically designed chairs can greatly improve posture, reduce back pain and ultimately improve productivity.

Strength & Stability

The 'five leg base' style on all chairs, provides the utmost stability, with 120kg maximum U.D.L. load capacity.

Practical Vinyl

Vinyl chairs are sturdy, highly durable and easy to clean, making them ideal for general workshop use. Comfort options with contoured seats and back cushions are also available.

Hardwearing Fabric

Upholstered fabric chairs feature a cushioned blue seat and padded backrest, providing a good all round comfort solution for an office environment.

Additional Options

Optional castor sets and armrests are available, as well as adjustable footrests for some models.
