

verso - Mobile

Fully Welded Housing

With fully welded steel construction and push-pull handles, verso cabinets are designed to withstand the rigours of industrial use. Featuring 125mm diameter rubber tyred castors, with 2 fixed, 2 swivel & brake mechanism.

Robust Drawers

For verso mobile, all standard fitment drawers are 50kg U.D.L. capacity, with 100% extension roller bearing slides for smooth operation and easy access.

Efficient Storage

Drawer pans are all full height and available in 100mm, 125mm, and 175mm options. Small parts can be efficiently organised using plastic storage boxes, adjustable metal dividers and inlay mats.

Drawer Locking & Blocking

Mobile verso cabinets are centrally lockable, with integrated drawer blocking mechanism as standard, so that only one drawer can be opened at any time.

Practical Work Surfaces

30mm thick Multiplex or Lino worktops are supplied as standard for all verso mobile cabinets, or choose top trays with inlaid mats.

Wide Range of Accessories

A wide range of drawer divider kits, shelves, worktops and top trays are available to kit out your mobile verso unit.

verso | **Mobile** Maintenance Trolleys

Maintenance Trolleys 1050mm Wide
